

## Back in black

**Make-Up Designory (MUD)** says clients can forget false eyelashes and opt for its **Black Cream Mascara**. The pigment-rich formula is said to provide professional-quality coverage and create dramatic eyes without the hassle of applying fake lashes. With a squeezable, tight-sealed tube, the mascara helps create thicker, fuller lashes minus the clumping, streaking and flaking. ## Hip brush

**Qosmedix** now offers the **17 Pocket Hip Brush Belt**. The company says the product comes in a slick, easy-to-clean black PVC pouch and has two

large pockets measuring 5 and 7 inches by 7.75 inches wide. The belt comes with a plastic snap closure and adjusts to fit waist sizes from 32 to 40 inches, making it ideal for makeup artists, the maker says. For more information, visit [www.qosmedix.com](http://www.qosmedix.com).

## Luscious lips

The coveted lips of famous starlets are attainable with the **Ultimate Lip Plumping Balm** from **Hollywood Lips**, says the company. Created by Hollywood makeup artist Bret Boreman, the line also includes the Sweet Sugar Scrub, Soothing Day Relief and Hydrating Night Balm. Boreman claims he recruits only the best chemists to formulate the product concepts using the most exquisite materials.
